SUMMER CAMP

A lifetime of fun in one endless summer

THE SUMMER CAMP EXPERIENCE
A wide range of activities encourage campers to pursue new interests, cultivate friendships and develop strengths. Campers thrive as they develop fitness and sports skills, enjoy the waterfront, and pursue choice-based arts, adventure, faith and athletics activities.

SUMMER CAMP LEADERSHIP
All camp staff members understand the importance of the role they play in their camper's lives, and approach their jobs responsibly and with caring hearts. Activity specialists share expertise in their skill areas and help to make electives challenging and fun.

Come join us for a summer of fun, excitement, and outdoor adventure.

Our summer camp empowers campers to develop independence, self-esteem, and life-long friendships. Owned and operated by the RC Bishop of Springfield for over 85 years, our summer camp provides the campers with a variety of activities ranging from Creative Arts, Sports, Outdoor Adventure, Faith and Waterfront Activities.

They are assisted by a mature staff of teachers and high school & college students who provide a creative camping program designed to meet the individual needs of each camper. Our enthusiastic staff supervise the campers in their living quarters and motivate them as they proceed through our fun-filled program. The campers are grouped by division of age. A strong emphasis is placed on safety. Our staff's goal is to make a young camper feel more secure, and encourage trust and confidence while providing a rewarding summer camp experience.
